

The historic Rye House Racing Circuit is one of the oldest in existence and over the years has hosted many national and international meetings as well as the regular club meetings. Regarded by many as the greatest test of driver skill,

Rye House has seen many F1 stars of today (and yesteryear!) hone their driving skills on this demanding track, on their climb up the racing ladder. Sections such as "Stadium Bend", "Reg's Elbow" and the "Pylon Complex" are as well regarded by Karter's as "Paddock Hill Bend", the "Tamburello" and the "Rascasse" are to F1 followers.

Hire Kart Racing/Championships. We have a New fleet of Gt2 Karts which we use for Gp and Endurance Racing. We publish several dates each month for Open Races when hire drivers race regardless of group size. Rye House Kart Raceway have just ordered a full compliment of New racesuits, wetsuits and safety helmets to compliment the already excellent facilities.

If our dates don't suit we may be able to offer others subject to availability. We also offer arrive and drive sessions for adults and children. Hoddesdon Kart Club MSA Sprint Racing. The HKC resumed racing this year after a break whilst the track was resurfaced and extended. Catering for virtually all classes, and with a new team running the meetings, grids are going from strength to strength. Pro-Kart Owner Driver Endurance Racing.

(non MSA) We have run Prokart endurance events for the last 8 years. Usually on the second Saturday of each month the races are 3 hrs long in addition to a qualifying period. Testing during the day, subject to a minimum grid is exclusive to Prokart drivers. Although run to a set of rules and regs. the racing is always friendly and the pit lane atmosphere is fantastic. Rotax (and equivalent) Endurance Racing. (non MSA) Usually held on the fourth Saturday of each month, a 20 minute practice, 20 minute qualifying followed by a 40 minute race.

For individuals or teams, this event provides great value for co-owner drivers or those wishing for something a little different from heats and finals. Driver Tuition, Arks Instruction & Kart Sales, Rye House Kart Raceway employ a fully trained team of race instructors.

We specialise in driver training from complete novices, right up to licence holders wishing to go 'a bit quicker'! The race school has seen 'hundreds' of drivers successfully take the ARKS test & gain MSA licenses. As well as driver instruction Rye House Kart Raceway provide all aspects of race support, our specialist technicians are available to instruct drivers and mechanics alike in the art of chassis and engine setup. Please call 01992 460 895 to discuss rates.
