

Rye House App

We now have an App available to download FREE in App Store for Apple devices or Play Store for Android devices.

The App is effectively a scaled down version of the website and gives the user the ability to view helpful links such as news & offers, live timing links, racing lines, testing calendar etc.

It has been designed with both Owner Drivers & Hire Drivers in mind, therefore on the homepage; you will see the icons for both:

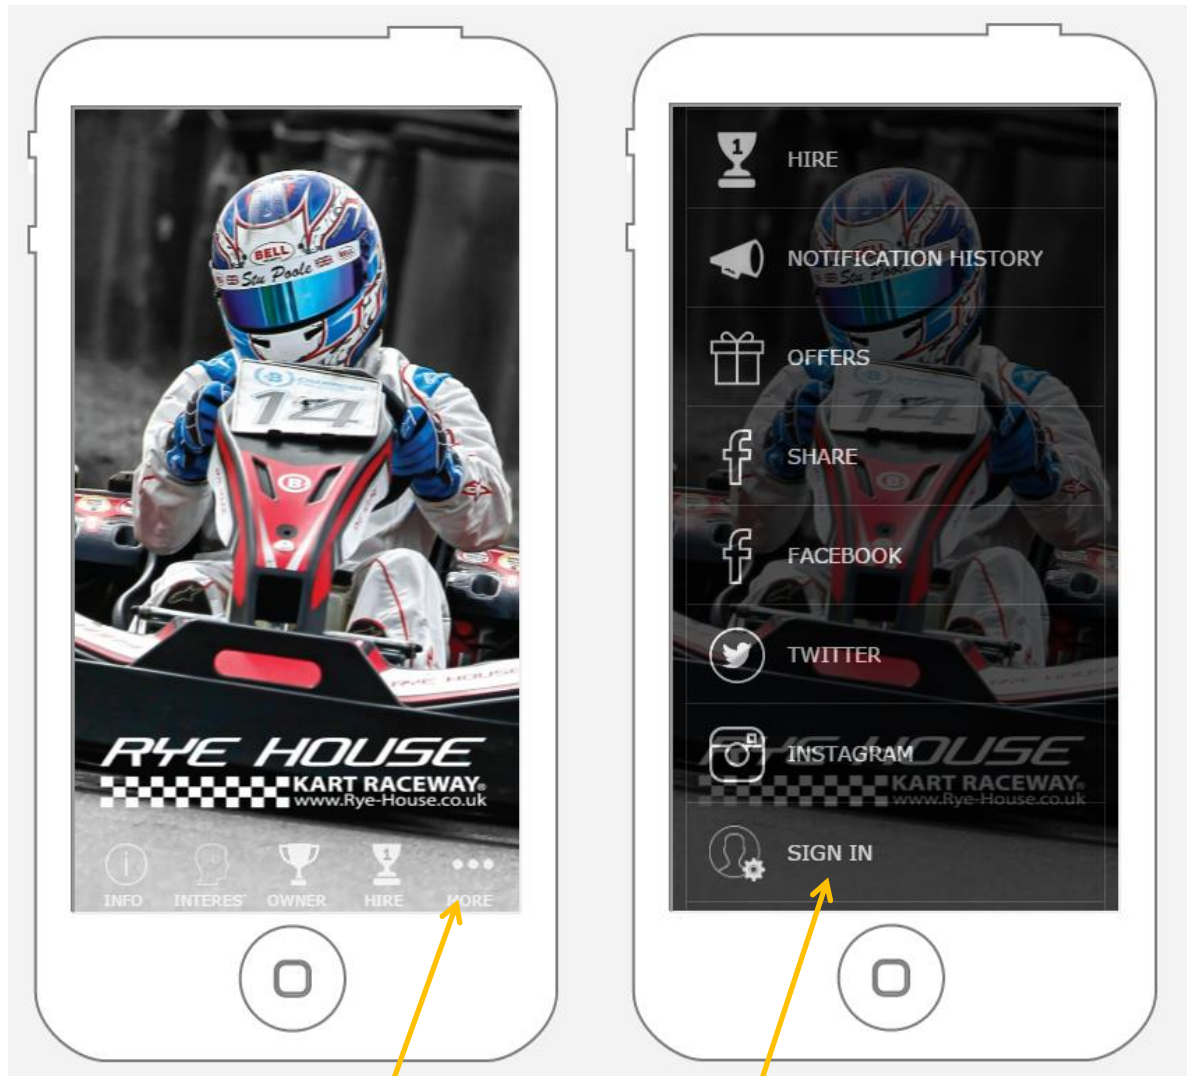

Owner Driver

Hire Driver

Each page contains the relevant tools available to an “Owner” or “Hire” driver.

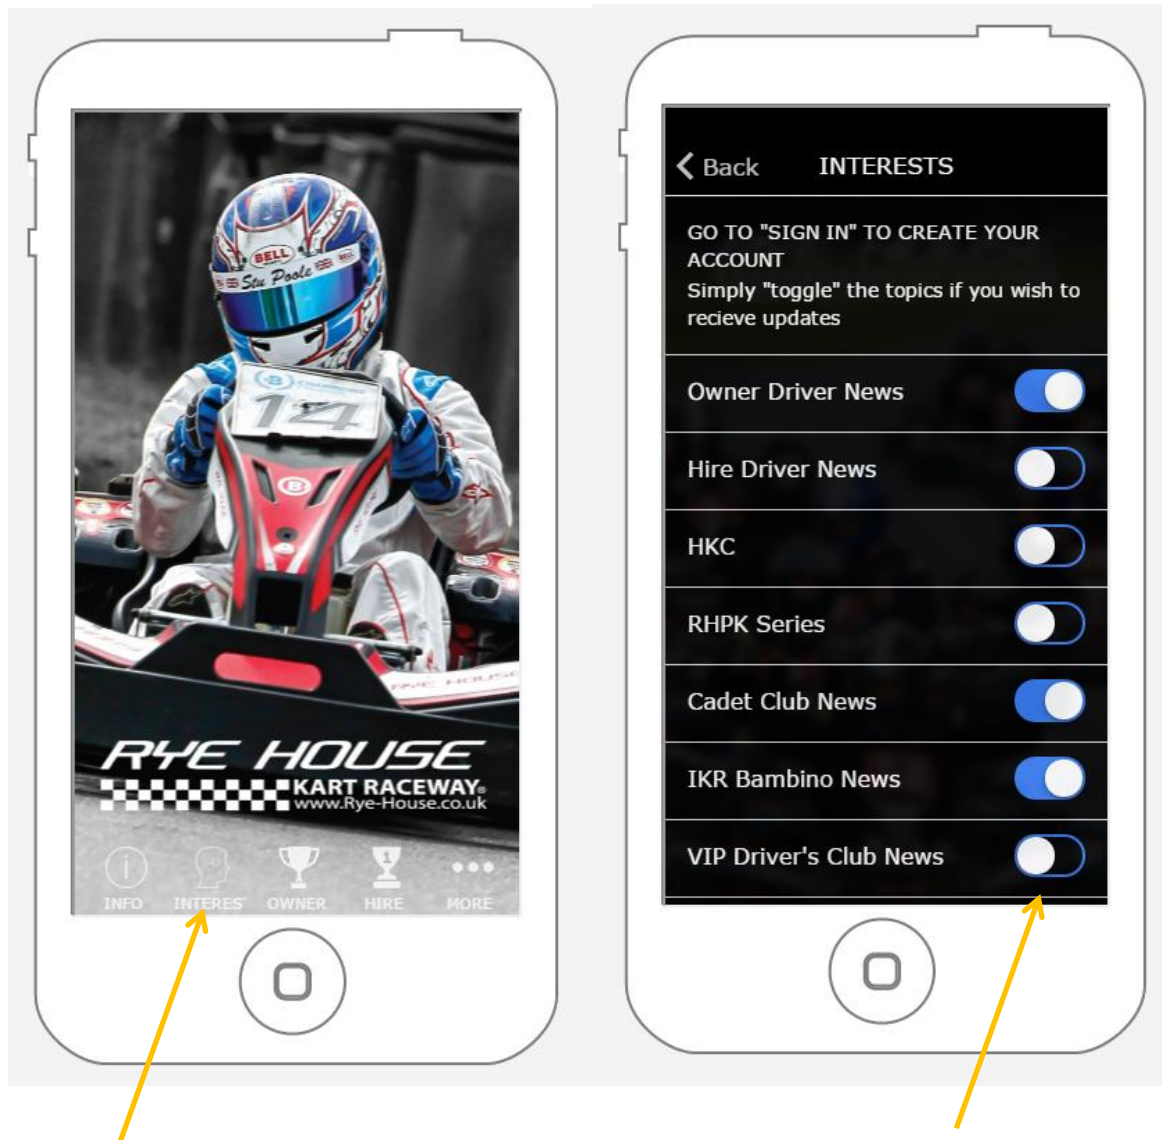

When the user first downloads the App, it is important that they firstly; create an account by pressing “more”, then “Sign In”

More

Sign In

It is also important that the user then picks their “Interests”, found on the “Home Page”.

Interests

Toggle Interests

Having signed in and picked their interests, this allows Rye House to send notifications to the user’s device.

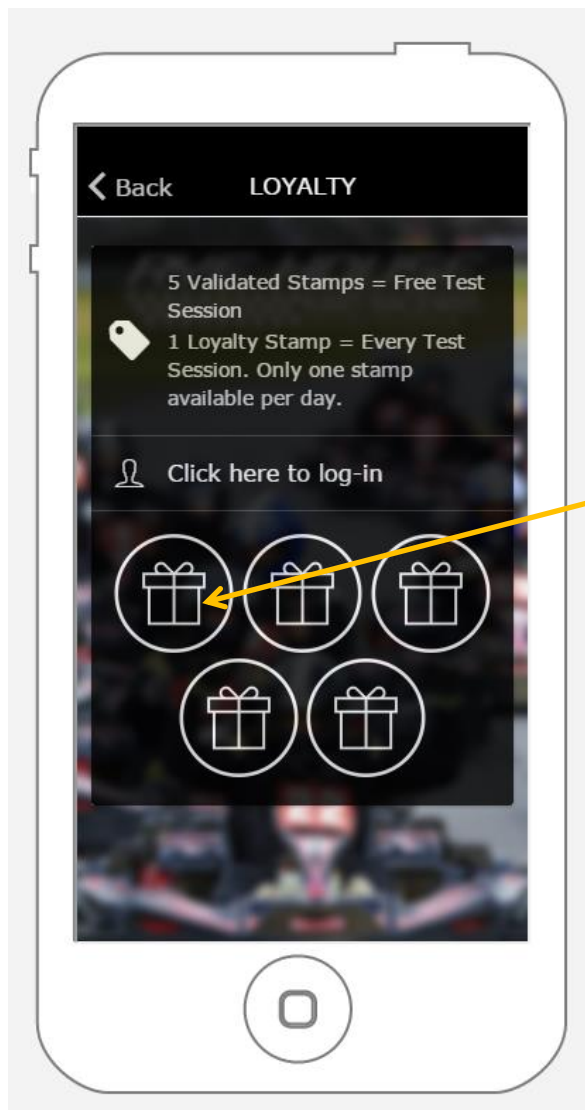

Example:

Title: McLaren Cup 13th October reminder

Message: McLaren Cup drivers need to be here by 6:00pm for signing on - Race starts at 6:30pm sharp!

Loyalty

Amongst many other things, there is a loyalty package for both Owner and Hire Drivers. On arrival, having paid, the user may hand a member of staff their device and ask for a stamp on their loyalty screen.

Simply press the stamp & enter the unique pass code. This will “Tick” the stamp on the device.

Only 1 stamp per session is allowed.
Stamp number 5 is **FREE OF CHARGE**
