

## Bambino Summer Cup – 24th July 2020

Dear Driver & Co., thanks for joining us for the Bambino Summer Cup. After a few months off, the team at Rye House are super excited to see some happy little faces back on the racetrack.

With lower entries than anticipated, this does mean you will be getting “bundles” of track time! Therefore, the day will be shortened (slightly) to ensure drivers do not get too exhausted.

Please ensure you bring plenty of refreshments as the cafeteria onsite may not be open for the entire duration.

The team will be running the Summer Cup as a “very relaxed event”. With a series of practice sessions, heats & finals for all drivers to take part, we’re certain everyone will have a great day regardless of their racing experience.

Finally, whilst we will not be scrutineering karts, we really do urge all competitors to run “legal” as per Motorsport UK regulations.

Itinerary as follows:

### **9am – 10am Sign In**

This will be done in the triangle gate office at the main entrance of the racetrack

### **10am – 11am Open Testing – Long Hairpin**

Run as an open pit lane, drivers will be able to enter/exit the track as they wish. The circuit will be setup as the standard track layout

### **11am – 12pm Open Testing – Short Hairpin**
